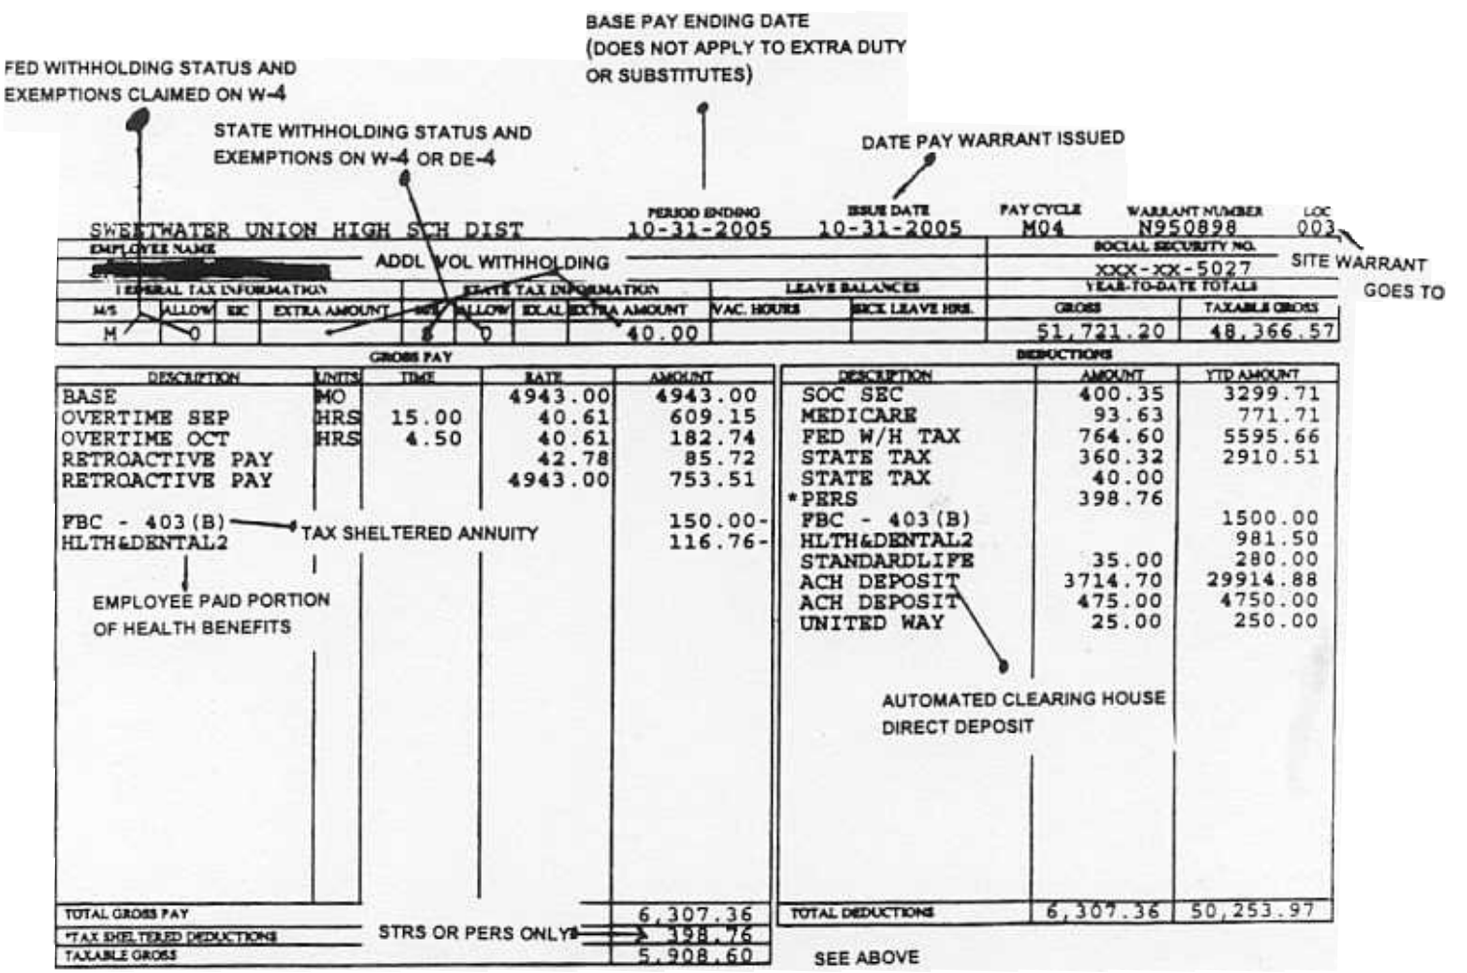
PAY STUB DESCRIPTION

Pay warrants are processed and printed through the San Diego County Office of Education. The County Office has designed the pay warrant to comply with IRS audit guidelines for Tax Sheltered Annuities (403(b)), Deferred Compensation (457) and pre-tax benefits under section 125(c). These deductions are on the left side of the paycheck under the earnings because the gross salary is being "reduced" by these amounts. Deductions that are post tax are all on the right side of the pay warrant.

Gross Pay: Does ***not*** include amounts deducted for the above plans


Taxable Gross: Does ***not*** include amounts paid into the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS) or the amounts deducted for the above plans.
